	<p><u>A Magical Week of Harry Potter (Age 5+)</u> This magical week begins after you receive a letter of acceptance from Hogwarts! Explore and create the wizardry found in Hogwarts, e.g. sorting hat, crest design, soaring candles, magic tricks, quidditch broom, wands and more. We will conclude the camp with a Harry Potter-inspired feast with food and magic show performed by kids! (\$245+\$30 supplies)</p>	<p><u>Camp Pokémon (Age 5+)</u> Fascinated by the design of these fun “pocket monsters”? Study the amazing world of Pokémon and work on fundamentals of character design of these mysterious creatures! Kids will learn to draw, paint and sculpt their favorite Pokémon. Gotta to Catch 'Em All. (\$245)</p>
	<p><u>From Culinary to Entrepreneur (8+)</u> Move over, Wolfgang Puck! Our young chefs will learn how to start a food business in California, design the menu, roll up sleeves to prepare meals using freshest ingredients, set up tables and serve our parent guests on Friday. Instructed by a registered dietician for an amazing food experience & business skill for life. (\$245 +\$50 supplies) Note: Camp can't accommodate kids with severe allergies, vegetarian, gluten free or restrictive diets.</p>	<p><u>STEAM Explorers (Age 6+)</u> <u>STEAM Lab (Age 8+)</u> Would you like to question like a scientist, design like a technologist, build like an engineer, create like an artist? Students will focus on projects that highlight the connection among S-T-E-A-M. Electronic parts such as LEDs, paper circuits, and batteries will be incorporated in some projects. Great for kids who love to build things! (\$245+\$30 supplies)</p>
	<p><u>Stop Motion Animation (Age 8+)</u> How was the movie “Early Man” made? Stop Motion Animation! Students learn the process of film-making to support storytelling as well as experimentations and problem solving techniques. They will project and plan out the storyline, make story boards, produce props, characters, actions and finished with music and voice over. (\$245+\$30 supplies)</p>	<p><u>Creative Writing/Bookmaking (Age 8+)</u> <u>Comic Centric Writing (age 6+)</u> Creativity is the back bone of all forms of writing. Students will write a story that explores character development, plot, and setting in an expressive and fun way! They will be the authors and illustrators of their own, handmade book that they can present at the end of the week! (\$245)</p>
<p>Field Trip</p>	<p><u>Drawing/Painting (Age 5+)</u> Explore pencils, watercolor & acrylic to bring your art to life. Discover lines, light, shadow, and perspective to build the foundation for drawing and painting. (\$245) <u>Mixed Media Art (Age 8+)</u> Learn various art techniques with printmaking, fabric, mini-sculpture, lettering, sun prints, collage as you experiment with unusual materials. (\$245) <u>Cartooning (Age 8+)</u> Discover the secret formulas for cartoon and comic book figures. (\$245)</p>	<p><u>Clay Lab (Age 5+)</u> Explore various types of “non-firing clay”, e.g. air-dry clay, Japanese paper clay, polymer clay (baked in oven) and home-made porcelain clay using ingredients readily available in home kitchen. Each type of clay has its unique characteristics and applications. Students learn techniques to hand build, sculpt, and paint pieces that don't need to be fired in a kiln. (\$245+\$30 supplies)</p>
